## AWARD-WINNING PERFORMER MARK STOREN BRINGS MUSICAL STORYTELLING TO LIFE

Benjamin is Will's best mate in the whole wide world. Benjamin is also a dog.

Cheeky, bold and slightly irreverent, **Benjamin & Me** is the latest work from Mark Storen and is the debut production for his new company Whiskey & Boots. The work will be presented at **The Blue Room Theatre as part of AWESOME International Arts Festival 2015 from 6 – 24 October 2015.**

One morning, Will wakes up with an idea. He has decided to build the first ever boy-dog operated flying machine. And so, this coming-of-age adventure takes to the skies...

After seeing success as a cabaret performer and writer Mark Storen takes a new direction with **Benjamin & Me** marking his first show written for children and adventurous adults.

*"I want to give people an intimate storytelling experience, like we've gathered the family into the lounge-room for a good yarn" says Storen.*

This story features a smattering of songs, crazy contraptions and raw, childlike illustrations by visual artist and performer Jacinta Larcombe.

Follow a young boy, his dog and their wild imagination in this coming of age musical adventure.
