

About Matt Hale - Comedy Hypnotist

100% Chicken Free Guaranteed...

Winner of 3 national comedy awards, and having just filmed a TV special for Australian TV Network Seven, Matt Hale is a professional comedy hypnotist bringing a whole heap of fun to audiences worldwide

with his modern brand of hypnosis.

With tours of Australia, Asia and the UK under his belt and having hypnotised people around the world from Sydney to Vegas (where even Mike Tyson told him 'You are AMAZING!'), Matt currently provides his show for events and festivals of all sizes.

Combining the fun of total audience participation with the incredible abilities of the mind, Matt turns the traditional hypnosis show on its head, highlighting the talents and creativity of the volunteers for big laughs instead of embarrassing them. No two shows are ever the same!

Expect to see hypnotised volunteers transported into bizarre car journeys, talking alien and unleashing talents they never knew they had.

In addition to his live shows, Matt has released his own range of hypnosis CDs, and conducts group seminars on a variety of subjects including memory, stressbusting, motivation, weight management, and smoking cessation.

He's appeared in media as diverse as the UK's tabloids, BBC, ABC, Today Tonight and has been included in the National Film and Sound Archive and Ripley's Believe It Or Not.

Matt's shows are fast paced, funny and full of your guests. Both audience and volunteers will have an amazing experience that they will remember for a long time.
