ABOUT US

We're pretty fabulous!

Abigails Entertainment was established in 1995 by renowned performer, actress and event producer, Pauline Bell. Abigails Entertainment has become well recognised for the creative production of many memorable and iconic events and festivals.

Pauline has a unique flair for conjuring up, nailing and delivering creative ideas and events that wow and delight. One of our most popular and well know events, Senior Superstar is a great example of creative ideas, community engagement and entertainment coming together in one event. Having worked with seniors for over a decade, Pauline understands that they enjoy a good show but they also want more choices for their entertainment.

With audiences evolving and changing it's time to tap into fresh ideas. This is where Abigails Entertainment can offer your

Morning Melodies audience something out of the ordinary.

Audience participation is big part of our offering, we love to involve willing participants and often those who stay in their seats find that they are part of the show as well. We strive to bring the people together for a great show that they can enjoy with friends old and new.

Whether it's participation in the form of performing, dancing, being a panel member or just watching, we believe everyone should have the opportunity to be part of the show. It's time to challenge and get people involved.

Our shows can adapt to your venue easily. Generally we require minimum set up and can work in a hall or an entertainment centre. We have staged events at RSLs (right next to the pokies), local community halls and theatres, right through to the Concert Hall at QPAC. Adaptability is our speciality.

We can also offer your venue other concerts and shows suitable for your demographic that you may not have seen on the circuit before.
